Our Cover

The IARU HF World Championship is one of the largest summertime contests. Our cover image was taken during a previous Championship at the station of Jeremi Sus, SP7JQQ, which was functioning as the 80-meter station in the Polski Zwiasek Krotkofalowcow (Polish Amateur Radio Union) SN0HQ network during the competition. The operators were Pawel Piotrowski, SP7AH (left), and Dariusz Karcz, SQ7FPD (right). The SN0HQ group has been active in the Championship since 2000, attracting more than 50 operators and supporters from throughout Poland. [Henryk Kotowski, SM0JHF, photo]
